Fall Time Lovin'

Outside is cooling down but we don't have to

Hello handsome. I hope you've been treating yourself well and enjoying the last of summer. With October right around the corner, fall is officially here. Cuddle season is upon us! No matter the season, my main priority for myself and for the people who meet me is pleasure and self-indulgence - we all deserve that, and what's life without it anyways? My favorite thing about myself is my ability to curate unforgettable moments that we can lose ourselves in. Amazing sex, delectable food, afternoon cuddles, scenery to die for...let's do it all this fall.

Find me @KaylaKattNYC

You asked, I answered. Finally, you can watch me saunter around, sans-clothing, and see all the photos and videos that are too risqué for social media. I'm a bit of an exhibitionist so naturally, I'm excited...

And, as a special thank you for being here and being subscribed to my newsletter, enjoy this gift.

- December 17th, at 7 pm EST, I'll be hosting an event on Zoom with Coyote RI for the International Day to End Violence Against Sex Workers. You're invited!
- I will be unavailable for dates from January 26th, 2022 to March 1st, 2022.
